- * We will be putting in a deck attached to the pool, it will be 12x20 with stairs going down to grade level (Revised Plan Attached)
- * The pool will be salt water
- * The pool will wash out to the woods behind the pool, this area is not a wetland area
- * We will bring in 15 Cubic yards of fill to level out the footprint of the pool. * We will go with an oval 15x30 pool
