Chairman Slapikas asked P. Geary if she would like to table the motion. **Motion** made by P. Geary to table this motion for more information.

-Mayor Chatfield advised that he requested this motion to transfer from the Fund Balance to Town Roads – Tree Trimming in the amount of \$6,275.00. **Motion** made by P. Geary, seconded by S. Lusas Kolodziej to approve the transfer from the Fund Balance in the amount of \$6,275.00 to the following account: #7000-03 Town Roads -Tree Trimming \$6,275.00. Disc. -Mayor Chatfield read into the record a statement regarding the theft of \$100,000 from the Town's Payroll Account. Graveline questioned what the Chair anticipated to gain from the Audit. Chairman Slapikas stated why this was missed from the Audit. Chairman Slapikas continued that he would like the 3<sup>rd</sup> party audit to look through the financial records. T. Graveline commented that the last pages are called an Audit of their Annual Audit Report, yet there is a difference. Chairman Slapikas commented that he has been speaking with Attorneys and Auditors. He would like a 3<sup>rd</sup> set of eyes, not a forensic audit. Chairman Slapikas commented that the current Auditor of the past 2 years has not given answers to questions nor has set meeting dates. Chairman Slapikas explained that this had not happened in 20 years with the previous Auditor. T. Graveline commented on no one to oversee routines, checks or balances. -*Kathryn Zandri, 271 Sycamore Dr., Prospect, CT* moved into Town in April of last year, was a municipal employee in another Town as a 14-year Town Council secretary and two years as a Town Clerk. K. Zandri continued that her comments and questions pertained to the crime of \$100,000 theft from the Town of Prospect's payroll account. K. Zandri submitted her questions (Schedule A). Chairman Slapikas commented on these questions; As to the total number of transactions, Chairman Slapikas advised that he did not have an answer but stated that there were multiple; largest amount of the transaction, Chairman Slapikas did not have the answer; who reconciles, Chairman Slapikas did not know as he does not run the office. Chairman Slapikas stated that the Mayor would need to answer as the questions were only asked through the Chair. As to when was anyone notified, Chairman Slapikas commented that the Mayor found out November of 2018. The Mayor notified the Police, the Bank, he also called the insurance company and the Attorneys. The Mayor made all the important phone calls. Chairman Slapikas commented that the Mayor was advised to be tight-lipped and not say anything as to not hinder the investigation. Chairman Slapikas stated that he himself found out December 11, 2019 and the rest of the Council found out December 17, 2019. The rest of the questions, Chairman Slapikas deferred to the Mayor; one at a time, if he has the answers, he could give the answers to you legally; if he can't, it is because he has to be quiet about it. Chairman Slapikas stated that is the best that he could do. Chairman Slapikas Thanked K. Zandri for her time. Chairman Slapikas asked Mayor Chatfield the following: how many transactions, The Mayor stated that he did not have that figure. Chairman Slapikas continued with the largest transaction. Mayor Chatfield advised still under investigation. Chairman Slapikas asked who reconciles the books. Mayor Chatfield replied, right now Mike Battiste, right up until January 31, 2019.

Blinstrubas also commented that getting a notification @ 4 p.m. on the day of the meeting was inappropriate. (4) P. Blinstrubas questioned why did it take two weeks to notify the Council of the transfer for tree trimming and not provided 48 hours prior, but given the same day as to the meeting. M. Patchkofsky commented that sometimes things happen, in an emergency you need to do what needs to be done. P. Mayor Chatfield advised that the previous account that was used was closed. Chairman Slapikas thanked John Schwarzkopf for his time.

-*Tom Galvin, 27 Rockridge Dr.* commented on the recommendation of a payroll service stating that there would only be one (1) check to the payroll service and no one would need to suffer through this as it is difficult for all.

-*Peter Blinstrubas, 24 Maple Dr* commented on hacking of email and mail 'fishing' and stated that he wanted to avoid what happened in Wolcott.
