To: Carrie Anderson

Thank you Ms. Anderson.

The Prospect CT Land Records Search website is now live. Your users can reach the website by either using our USLandRecords portal at www.uslandrecords.com, then choosing Connecticut in the state list, then choosing Prospect in the town list. Or, by using the URL previously provided, https://www.uslandrecords.com/ctlr3/redirect_ct290.jsp to go directly to the Prospect search website. You can also add the direct link to your town website as needed.

Let me know if you have a need for "no charge" logins for your internal users. I can set up as many as needed.

Please let me know if there are any questions or issues.

Thanks, and have a great day!

J
